

November 2016

WKRRRA will present cash bonus to anyone who provides info on folk who are DUMPING rubbish in Park, Lincoln cul-de-sac, pavements or elsewhere in our area.

Need time/date, car registration & if possible picture frm cellphn. R100 for basic info. R200 if picture as well. Must then be given to me urgently to action.

PLEASE ADVISE YR GARDENERS, STREET & COMPLEX SECURITY. Security personnel are on duty at night so should be able to identify any night action.

It is heart-breaking to continually pay to clean up this area (on a weekly basis), only to find rubbish continually dumped here (especially when the PikiTup site is so close).

PLEASE let's get a joint action going to keep Woodrock clean and characteristically beautiful.
