24/7 PERSONAL SAFETY WHEREVER YOU ARE

Medical and criminal emergencies happen anywhere. At MOBI-CLAW911 we know that you, your family and staff are the number one priority and we want to make sure they are safe 24/7, wherever they are. This includes when they are home, at school, on site or in transit or witness an emergency. You can't provide them that on your own! Meet MOBI-CLAW911, the service that gives you, your family and your staff total peace of mind

INNOVATION IN PORTABLE SECURITY

Range of panic buttons and wearables that:

- Know where you are
- Allows us to listen into your emergency when you can't speak
- Has built in microphone and speaker and allows us to call you in an emergency

TRUE INNOVATION

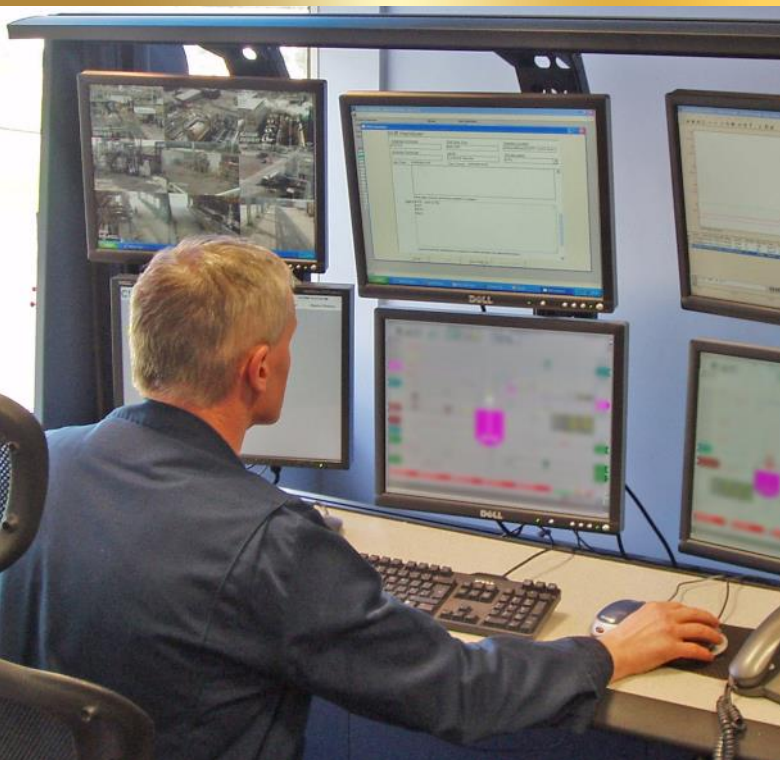

TRUST MOBI-CLAW911

MOBI-CLAW911's user-friendly app delivers personal protection at the touch of a button. When a distress signal is sent, we know who you are, where you are and our professional operators will dispatch the right first responders to you.

RESPONSE TIME IS VITAL

Because we know that every second counts when it comes to emergency situations, MOBI-CLAW911 services make use of the following:

- Quick responses to criminal and medical emergencies anywhere in South Africa.
- A 24-hour Control Room with trained personnel to handle any major emergency.
- Multi-level reaction of First Responders.
- IMDPAS - an Intelligent Multi Distribution Panic Alert System - unique to MOBI-CLAW911.
- Complex state of the art Geo Fencing ("safety net") for Law Enforcement, Emergency Medical Services, Fire and Rescue, Security Companies and Volunteer Organisations

HOW DOES IT WORK

By activating your MOBI-CLAW911 panic alert, our national network of First Responders is notified. This includes Paramedics, SAPS, Metro Police, your own Armed Response Company and/or your Vehicle Tracking Company.

If you are in any MOBI-CLAW911 registered Neighbourhood Watch Area, your alert will be sent to their volunteer patrollers.

If you are kidnapped, hijacked or have your phone stolen during a crime, MOBI-CLAW911 will be able to follow and find your phone as long as it is on.

Use MOBI-CLAW911 for any medical emergencies that arise and receive a swift response from the MOBI-CLAW911 team.
